AUTHORIZATION TO CHARGE APPLICATION FILING FEE

In the application transmittal letter, an authorization to charge Deposit Account No. 19-0733 for the filing was made by "checking" the box opposite the authorization. An authorization for payment was also indicated on the postcard accompanying the application. However, due to a typographical error, the box opposite a request for deferral of the filing fee was not completely *unchecked*. For purposes of clarity and to confirm that authorization to charge the Deposit Account is being provided, the present Authorization is being filed. Copies of the transmittal letter and postcard are enclosed.
